LocknCharge makes life easier.

Baskets by LocknCharge. These ain't your grandma's Longaberger baskets. Slotted device Baskets by LocknCharge make device deployments faster, safer and more efficient.

Organized Cables and Hidden Bricks. Minimize cord chaos by keeping those gosh darn cables secure once and for all. Cables stay organized in the unique top channel, allowing you to plug in devices quickly after each use. Power bricks are stored in a separate compartment, making sure they don't sprout legs and wander off.

Wall or Desk Mountable. The Carrier Charging Station is designed to adapt to your surroundings.¹ Transform any wall or counter into a secure area for charging mobile devices while taking up only minimal space.

Easy Cable Management. LocknCharge cable management has been simplified so that you can wire an entire Charging Station in minutes. Save time with set up and gain time using your Charging Station.

Smarter Workflow

Save Time, Save Cheddar. Our goal is to save you valuable time, each and every day, thus saving you some serious cheddar. Our Baskets enable you to hand-out and pack-up devices in less time, allowing you to forget about charging and focus on your goals.

Perfect for Shared Use. Not enough devices to go around? No problemo. Organizations can now easily share mobile devices between rooms without the fuss. Simply grab a Basket or two of devices and transport them safely and easily to just about anywhere you want to go.

Additional Key Benefits

Robust Warranty.

Should any issues arise, our products are backed by a robust warranty and supported by a dedicated customer support team.²

World-Class Customer Support.

Our helpful and friendly Customer Support team will promptly assist with any product issues or questions.

Compatible & Efficient.² Includes two or three large Baskets to hold devices up to 13" as well as a stainless steel device rack for storing devices up to 17" with or without cases.

Small Footprint. Easily place the charging station on a counter or mount it to the wall. Either way, the Carrier Charging Station takes up minimal space.

Future Proof. Think inside the box, and you won't be stuck with a bunch of outdated charging stations. Removable racks and Baskets allow this station to adapt to future needs as devices change or new technology is added.

Secure. Protect your device investment without worry. Lock away devices in the storage area with a padlock.

Tough as Nails. Carrier Charging Stations are made with high-quality, welded steel and are backed by a robust warranty.

Distribute devices up stairs or over rough terrain.

Baskets by LocknCharge allow you to share and safely distribute devices between multiple locations within your facility. The Baskets are interchangeable with LocknCharge Carts that use the same Large Basket ecosystem.

Lock Included. This charging station comes with a high-quality, stainless steel padlock and keys.
